

WELCOME TO

ASCENDRA

— RISE BEYOND LIMITS —

2026

WHAT DO WE OFFER?

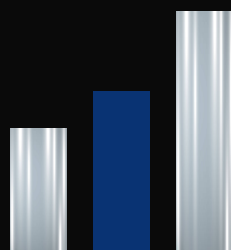

ASCENDRA is an AI-powered investment and rewards platform designed to help individuals grow their capital through technology-driven market analysis and trading strategies.

The platform combines advanced artificial intelligence, real-time market monitoring, and automated trading systems to identify opportunities in global financial markets.

ASCENDRA aims to provide members with consistent growth potential while maintaining transparency and security.

Our AI trading bots continuously scan market movements and execute data-driven strategies with speed and precision

- MISSION
- VISION
- CORE VALUES

MISSION:

To empower individuals through innovative AI-driven investment solutions that promote sustainable growth, transparency, and financial opportunity.

VISION:

To become a globally trusted technology-powered investment platform that helps people unlock their financial potential and rise beyond limits.

TRADING STRATEGY & RISK MANAGEMENT

ASCENDRA combines intelligent automation, market analysis and disciplined risk-management principles. Strategies are designed to identify opportunities while maintaining structured controls and continuous monitoring.

EARNINGS CAP POLICY

- 1. To promote the long-term sustainability and stability of the Ascendra ecosystem, an earnings cap has been implemented.*
- 2. Once a member has withdrawn a total amount equivalent to 10 times (10X) their initial investment, they will be required to make a new investment equal to or greater than their original deposit in order to continue earning rewards and participating in the platform.*
- 3. This policy is designed to encourage active participation while supporting the ongoing growth and sustainability of the Ascendra community.*

ASCENDRA TRADING TEAM

At **ASCENDRA**, our success is driven by a dedicated team of market professionals who combine technical expertise, market intelligence, and strategic risk management to identify opportunities across global financial markets. **Our team** is committed to maintaining disciplined trading practices while leveraging advanced analytical tools and data-driven decision-making.

Given Nethamari – (Technical Analyst)

Specializes in technical market analysis, focusing on price action, market structure, trend identification, and chart pattern recognition. Through detailed analysis of market movements and trading indicators, Given assists in identifying high-probability trading opportunities and supports strategic trade execution.

Core Expertise: Technical Chart Analysis | Trend Identification | Market Structure Analysis | Risk Management
Trade Setup Validation

Tumelo Mogomane - (Fundamental Analyst)

Responsible for analyzing economic events, financial news, and global market conditions that influence asset prices. By monitoring macroeconomic indicators and market sentiment, Tumelo provides valuable insights that help shape ASCENDRA's trading decisions and long-term market outlook.

Core Expertise: Economic Analysis | Market Research | Fundamental Market Evaluation
Global Financial Trends | News Impact Assessment

Sydney Shabalala - (Master Trader & Mentor)

Serves as ASCENDRA's Master Trader and Mentor, bringing extensive market experience and leadership to the trading team. Sydney oversees trading strategy development, trade execution standards, and trader mentorship, ensuring consistency, discipline, and continuous improvement across the organization.

Core Expertise: Professional Trade Execution | Trading Psychology | Strategy Development
Portfolio Management | Mentorship & Leadership

Portia Mazibuko - (Technical Analyst)

Specializes in technical market analysis and trading strategy support. Through detailed chart analysis, indicator interpretation, and market trend monitoring, Portia contributes to identifying trading opportunities while maintaining a strong focus on disciplined risk management.

Core Expertise: Technical Market Analysis | Chart Pattern Recognition | Market Trend Evaluation
Trading Signals | Risk Assessment | Our Commitment

The **ASCENDRA Trading Team** combines technical analysis, fundamental research, and professional trading expertise to support informed decision-making within dynamic financial markets. Through continuous market monitoring, disciplined risk management, and ongoing education, our team strives to uphold the highest standards of professionalism and excellence.
